

### **PRACTICE TIMES 6:00-8:30 PM---FRIDAY**

- **Practice times on Friday night will be issued as follows**---As soon as we receive your registration—we will email you **and ask if you want practice time**---**You will need to respond by email in three days**---
- You will then be sent via email the VERIFICATION form to fill out and sign---Even if you do not want practice—you still need to sign the form and return
- Each team will receive 10 minutes on the Spring Floor--\*\*\***(All star teams—or schools with multiple teams attending---will not be allowed to exceed 25 minutes for their whole organization)**
- The Verification Form needs to be sent back in by due date –or you forfeit your time
- The Form can be sent via regular mail---Midwest Cheer/Dance PO BOX 11602 Merrillville, IN 46410----or you can scan the form and email to [midwetscheerdance@yahoo.com](mailto:midwetscheerdance@yahoo.com)---
- **Not ALL teams that register early or on time will be offered a practice time on Friday**—Sorry but we will only have 2 ½ hours for practice---So to be fair we are just taking the registration in the order we receive it----When we run out of time slots we will stop giving practice times out
- **ALL TEAMS MUST BRING THEIR OWN CD/TAPE PLAYER**—Spring floor will be set up but the sound system is NOT guaranteed---

### **ADVANCE REGISTRATION 6:00-8:30 PM –FRIDAY Highly Recommended!**

- Once again this is not mandatory---BUT Highly recommended!!!
- If you do the registration process on Friday (the night before the competition) It will eliminate a lot of pressure and added stress on Saturday trying to beat the lines at registration
- You will also feel more comfortable with the layout of the competition –where the warm up rooms are—bathrooms—on deck area---etc.....
- You will also be given necessary paper work and information that you can take back with you on Friday and look over –before Saturday—
- You will also be given your t-shirts at registration—which is always time consuming---so getting them to you on Friday helps everyone!
- You do not have to attend the DJ party or practice times to register----You don't even have to be staying at the Kalahari to register early on Friday (example you are a team that is very close to the Kalahari and driving in—you can come on Friday and register)
- Midwest Cheer/Dance added this advance registration night to say thank you to our coaches and try to make the process less stressful on the coaches!---We know you have enough to keep you busy!!

### **FREE DJ PARTY 6:30-8:30 –FRIDAY**

- This is not mandatory—but just a way for Midwest Cheer/Dance to reward the teams for their hard work! AND it is a great way to meet other teams from different states!----Also if your team is practicing on Friday—you can just go back and forth in-between your practice time—or while you are waiting—
- The only thing we ask ....**ONLY** team members are allowed to come & coaches **NOT** **parents, boyfriends, girlfriends, cousins, etc.....**
